

1. Each vendor must submit with their bid proof of current liability insurance coverage in the minimum amount of \$1,000,000.00 per occurrence, \$2,000,000.00 aggregate. Each vendor shall further provide proof of workmen's compensation insurance sufficient to satisfy all legal requirements of the State of Alabama. Failure to provide this documentation with the bid package will be cause for rejection of the bid.
2. The vendor being considered for award shall certify that the guards in his employment are certified in the handling of firearms and trained to follow industry procedures for this type service.
3. The vehicle shall be an armored truck used to transport the collections.
4. The service shall be equipped with radio equipment and shall be constantly monitoring the pickup.
5. The service shall have at least one guard remaining in the truck at all times.
6. The vendor being considered for award must provide the state with documentation showing they have been performing this type service for at least five (5) years and a list of at least three references from this service is to be provided upon request.
